FOREWORD

WE herewith present the fourteenth volume of *Let Us Forget*. If, while perusing this volume now, you are fired with a zeal and zest to love old Union more, and if, in later days, you can take this book down from the shelf and live over your life on the "Ole Hill", we will feel justified for the efforts that we have expended.

If our undertaking has met with any measure of success, we owe it to the untiring zeal and painstaking care of our faithful staff, and to the loyal Senior class which has stood behind us in this project from beginning to end.

If we commit this volume now to the hands of the readers, May it be a source of delightful reminiscence to its readers throughout their lives.

Administration

Lest we forget.

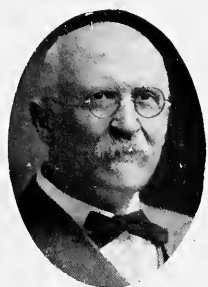

HENRY EUGENE WATTERS, A.M., D.D., L.L.D.
President

Since Dr. Watters accepted the presidency of Union University, the institution has registered unprecedented growth. The attendance has swollen to the fourteen hundred mark, and the school has received recognition from colleges throughout the United States. The latest forward step at Union, in which Dr. Watters has had a part, has been the recent consolidation of Hall Moody Junior College, of Martin, Tennessee, with Union. This consolidation, it is thought, will mark another great epoch in the history of Union University.

EDUCATION

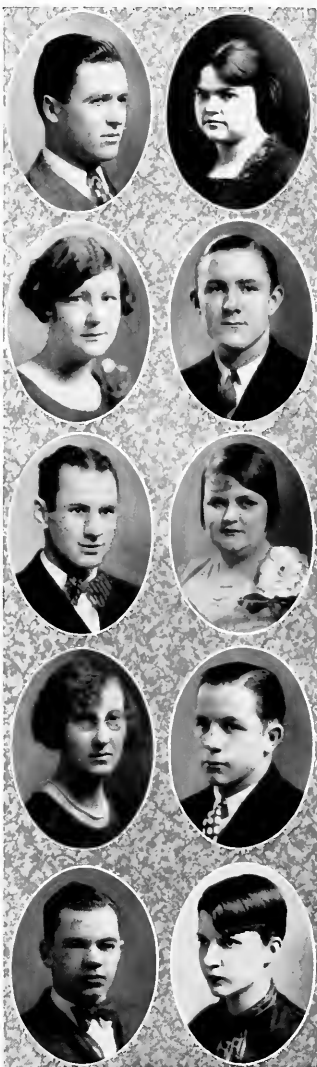

*You ask me what an education is?
How should I know? But I have liked to think
Of these four years, as one vacation is—
A time for healthy, thirsty minds to drink
And in their drinking, think!
Just those two things; a life will follow soon.
Or, I might say it is a crescent moon—
A little thing at first but still a part
Of that full-rounded life which is to come.*

Varsity Squad

The year of 1926 was Union's first year in S. I. A. A., and she had far greater opposition than she, heretofore, had had. With one team and relatively few substitutes she faced on the gridiron as many as three fresh teams in a single fray. Fighting against enormous odds the Bulldogs pulled through with the best season in the history of the institution.

Freshman Football

The past football season produced a great Freshman team, a team with a record of five victories and no defeats, scoring 110 points to opponents 14. The first undefeated team that Union has ever had.

The team was composed mainly of high school stars, many of whom were picked on all-star teams but who did not allow their individuality to take the place of team work.

The first game, with Ripley High, was in the nature of a practice game and was won by the Pups 25 to 0. The next game was with Tilghman High of Paducah, Kentucky, and the Freshmen won by the score of 22 to 0. Next the strong Castle Heights Military Academy invaded the campus and went back to Lebanon with the short end of a 13 to 7 score. Then the Mississippi Heights team came down from its lair on Blue Mountain to receive a severe drubbing from the Bullpups, the score being 38 to 0. The final game was with Hall-Moody (Junior College of Martin, and was a real test for the Freshmen. The Pups rose to the heights that day and after a bitter struggle, emerged victorious with a 12 to 7 score. No other team in the history of Union has made such a record.

The team was captained by "Red" Caywood, All West-Tennessee quarterback from Newbern, who proved to be a real leader and a brainy field general. The business manager was Sam Wallace, a halfback from Jackson High, who held the position of Utility back. Eighteen sweaters and numerals were awarded. Men receiving them were: Reed, Johnson, McAlpin, and Wilson, ends; Hughes, Cooper, Wright, and Sublett, tackles; Smith, Russell, and Jones, guards; Baldridge and McRae, centers; Caywood, quarter-back; Stewart, left-half; Hellen, right-half; Stalcup, full-back; Wallace, utility back. Ausban and Miller would undoubtedly have made numerals but for illness. With this array of material to pick from, the varsity should have nothing to worry about for the next three years.

After completing an undefeated football season the Freshman kept their banner aloft by launching into the most successful Basketball season ever had at Union, winning eighteen out of twenty-six games. Five of the defeats held against the Freshmen were handed out to them on a training trip during the Christmas Holidays by such teams as the Cairo Aces, the Campbell Independents of Paducah, and the La Center Quintet.

Members of the squad were: Caywood, Stalcup, McAlpin, Reed, Miller, Stevenson, Stewart, Thompson, and Sublett.

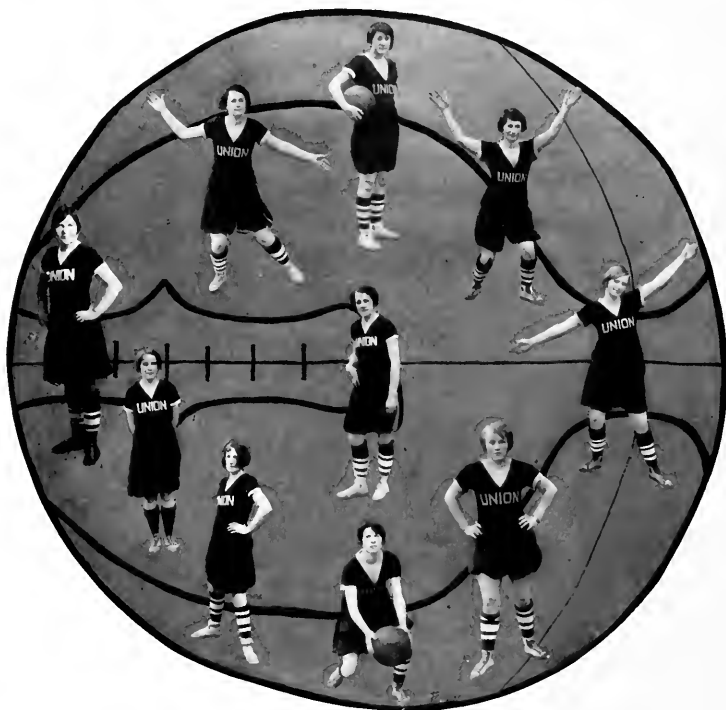

JUNIOR BASKETEERS—Winners of Class Tourney

In the class basketball tournament held in the University gymnasium the week of February the twenty-first, the Junior quintet emerged victors. They defeated the Freshmen runners up in the finals by the score of 16 to 13. The tournament was supervised by Hayden Stevenson and Victor Stripling, "gym" instructors.

The quintet consisted of Wilmoth (c), F. Thornton, F. Huey, C. Ozment and Johnson, G. Morris and Reed, G.

The All Star team selected from the four class teams consisted of: Russell Moore, Senior, F. Warren Smith, Sophomore, F. B. M. Huey, Junior, C. B. B. Ozment, Junior, G. and Frank Ireland, Sophomore, G.

Under the captaincy of Miss Ara Alexander the Terriers of '26 and '27 had an excellent season, scoring 202 points during the season while their opponents scored only 171.

A move to place Union's track team on a par with the best in the S. I. A. A. Conference was begun when Leon Burnett was appointed track coach.

Coach Burnett has made a brilliant record on the cinder path during the past three years, and is expected to put Union's track team on the map this year.

In his first year he repeatedly outran all contestants in West Tennessee at any distance from one to five miles. He won the Jackson Y. M. C. A. Turkey Day Marathon for two consecutive years, breaking all records of the course. He was winner also in the Union University Marathon; winner of Y. M. C. A. road race; runner-up in the Y. M. C. A. Christmas Day Marathon for former marathon winners.

He took a complete course in Track Coaching at the University of North Carolina last year and is prepared to put out a winning team.

LEON BURNETT
Track Coach

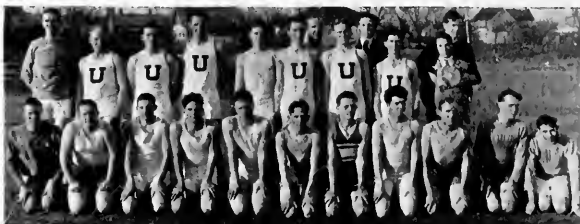

SCHEDULE FOR THE YEAR

The schedule for the year has not yet been completed. Arrangements are being made for Union to participate in

- S. I. A. A. Meet at Birmingham, Alabama.
- Dual Meet with Tennessee Teachers' College.
- Dual Meet with Bowling Green.

Stars in the Limelight

J. D. Wright, dash; J. D. Worrell, high and broad jump; Aubrey Reed, hurdle; Victor Stripling, dash; Leon Burnett, distance; John Jones, field events; Robert Morris, distance; Roy Frazier, distance; Charles Deere, distance; Joe Norvell, field events.

J. D. WRIGHT, Captain

Wright has proved his artistry on the cinder path. He was High Point man in the All-West Tennessee meet held at Memphis two years ago, and has helped to fly the colors of Jackson High School in many frays. He is an artist in the dash.

He flew the colors of Union Freshmen last year in the inter-class meet. Due to the S. I. A. A. ruling, which barred Freshman from competing in inter-collegiate meets, he never had an opportunity to represent Union in the varsity meets. It is expected that he will help raise the Cardinal and Cream to a higher peak this year.

VARSITY BASEBALL

The first workouts for the baseball season of '27 were conducted in the gymnasium, and these began before the Girls' High School Basketball Tournament came to Union. With the advent of sunny weather the Bulldogs began practice on the athletic field and a good showing they made with Captain Mooneyham in the position of catcher, Ozment at the initial sack, Stripling at second, Mc-Nair at shortstop, Price and Clark at third, and all snapping it up very well. In the outer garden were Norvell, Sims, Chambers, Miller, and Stewart. There was some dope to the effect that the pitching staff would be very weak, but with Ross, Bennett, Stewart, and other aspiring pitchers in the box for batting practice it seemed that quite a bit of entertainment could be offered to opposing batters. Huey grabbed them almost anywhere behind the bat and seemed to be at home there. Chisholm and Harris handled themselves and the ball well and seemed to be at home on the diamond.

Captain Mooneyham, because of his wonderful ability on the diamond and his experience in baseball, was able to set a good example in handling the stick and the ball and Coach Stewart worked hard with the boys and continually cautioned them not to hurt their arms or try to overdo the thing at the outset. The good beginning which the club was making seemed to indicate that the Bulldogs would go through a very pleasant and successful season in the spring of '27.

CAPT. ALFRED MOONEYHAM, C.

Lest we forget.

While the Bulldogs were fighting on the grid this season, the game was being played in the grand stand by the Howlers and Growlers, those two loyal pep squads who stood valiantly behind in victory and defeat. The Growler Club, composed of young men, was founded by "Snookie" Newman in 1926, and the Howler Club, composed of young women, was organized at the same time by Miss Carolyn Fisher. Since their organization, these clubs have played a big part in instilling pep in the student body of Union.

These two pep clubs have been assisted in their work by the Freshman Howlers, a band of loyal Freshman girls who have gained the recognition of being the peppiest bunch of co-eds on the Hill.

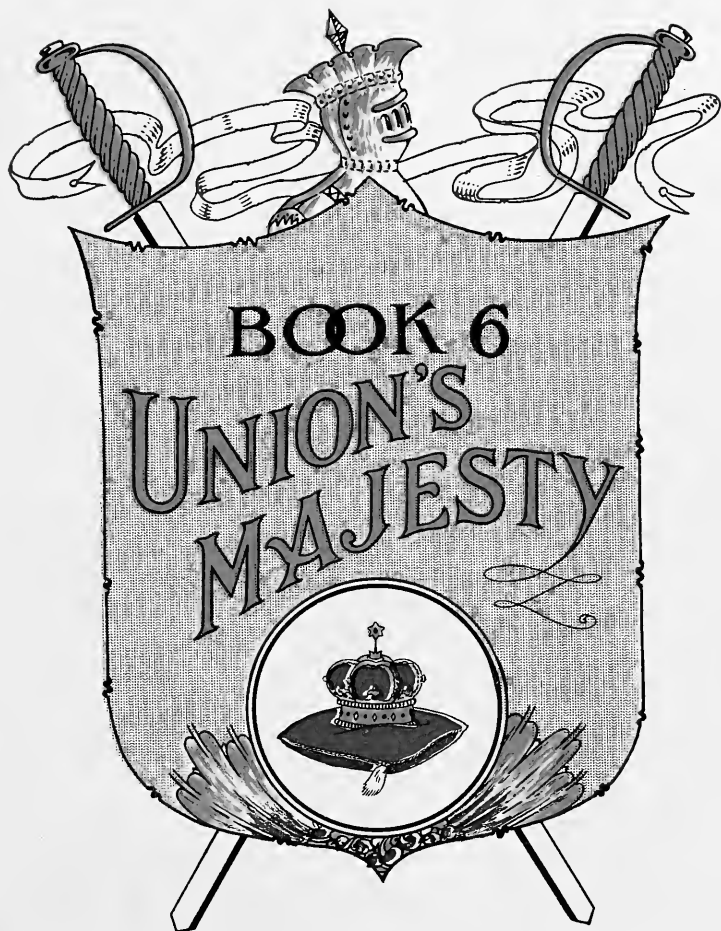

JOHN H. (PARSON) JONES, *Cheer Leader*

Parson has served well in his capacity as cheer leader. He was formerly an athlete, having received a serious injury in his neck while playing football two years ago. Though unable to play on the field Parson has put his whole life in the cause of athletics at Union by leading the student body to a better appreciation of their teams.

BOBBY HOWARD, *Asst. Cheer Leader*

Bobby has been faithful at his post, always at the games, always full of pep, always manifesting it by his leading of yells.

A Pupil's Idea of What Is A Creditor

Buying on credit instead of paying cash apparently has its ludicrous side in Prague as well as in this country.

According to the "*Humoristique*," a comic weekly printed in Prague, a teacher asked a young pupil, "What is a Creditor?"

The pupil quickly drew from his observation at home and replied: "A man who must be told that my father is not at home."

Paying cash as you go has no attending embarrassments—it assures a life of independence.

You are permitted to buy where you will and where you can get the most in quality and satisfaction for what you pay.
